2.2 Ownership of Property. Owner represents and covenants that it is the Owner of the fee simple title to the Property.

### 2.4 Assignment.

2.4.1 Right to Assign. Owner shall have the right to sell, transfer or assign the Property in whole or in part (provided that no such partial transfer shall violate the Subdivision Map

Act, Government Code Section 66410, et seq.) to any person, partnership, joint venture, firm or corporation at any time during the term of this Agreement; provided, however, that any such sale, transfer or assignment shall include the assignment and assumption of the rights, duties and obligations arising under or from this Agreement as applied to the Property in whole or in part and be made in compliance with the following conditions precedent:

(a) No sale, transfer or assignment of any right or interest under this Agreement shall be made unless made together with the sale, transfer or assignment of all or a part of the Property;

(b) Concurrent with any such sale, transfer or assignment, or within fifteen (15) business days thereafter, Owner shall notify City, in writing, of such sale, transfer or assignment and shall provide City with an executed agreement, in a form reasonably acceptable to City, by the purchaser, transferee or assignee and providing therein that the purchaser, transferee or assignee expressly and unconditionally assumes all the duties and obligations of Owner under this Agreement which apply to the Property in whole or in part being sold, transferred or assigned.

2.4.2 Termination of Agreement With Respect to Individual Lots Upon Sale to Public and Completion of Construction. The provisions of Subsection 2.4.1 shall not apply to the sale or lease (for a period longer than one year) of any lot which has been finally subdivided and is individually (and not in "bulk") sold or leased to a member of the public or other ultimate user. (a) The lot has been finally subdivided and individually (and not in "bulk") sold or leased (for a period longer than one year) to a member of the public or other ultimate user; and,

(b) A Certificate of Occupancy has been issued for a building on the lot.

(a) Expiration of the stated term of this Agreement as set forth in Section 2.3.

(b) Completion of a referendum proceeding or entry of a final judgment setting aside, voiding or annulling the adoption of the ordinance approving this Agreement.

(c) Completion of the Project in accordance with the terms of this Agreement including issuance of all required occupancy permits and acceptance by City or applicable public agency of all required dedications.

Termination of this Agreement shall not constitute termination of any other land use entitlements approved for the Property prior to the Entitlements approved in connection with this Agreement. Upon the termination of this Agreement, no party shall have any further right or obligation hereunder except with respect to any obligation to have been performed prior to such termination or with respect to any default in the performance of the provisions of this Agreement which has occurred prior to such termination.

2.7 Notices.

(a) As used in this Agreement, "notice" includes, but is not limited to, the communication of notice, request, demand, approval, statement, report, acceptance, consent, waiver, appointment or other communication required or permitted hereunder.

(b) All notices shall be in writing and shall be considered given either: (i) when delivered in person to the recipient named below, or (ii) on the date of delivery shown on the return receipt, after deposit in the United States mail in a sealed envelope as either registered or certified mail with return receipt requested, postage and postal charges prepaid, and addressed to the recipient named below. ### 3. DEVELOPMENT OF THE PROPERTY.

3.1 Right to Develop. Subject to the terms of this Agreement including the Reservations of Authority, Owner shall have a vested right to develop the Property in accordance with, and to the extent of, the Development Plan. The City shall issue all Subsequent Development Approvals required to complete the Project as contemplated by the Development Plan and consistent with the Entitlements. Except as otherwise provided in this Agreement, the permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, and provisions for reservation of dedication of land for public purposes shall be those set forth in the Development Plan.

3.2 Subsequent Development Approvals. This Agreement shall not prevent City, in acting on Subsequent Development Approvals, from applying Subsequent Land Use Regulations which do not conflict with the Development Plan, nor shall this Agreement prevent City from denying or conditionally approving any Subsequent Development Approval on the basis of the Existing Land Use Regulations or any Subsequent Land Use Regulations not in conflict with the Development Plan.

3.3 Timing of Development. The parties acknowledge that Owner cannot at this time predict when or the rate at which phases of the Property will be developed. Such decisions depend upon numerous factors which are not within the control of Owner, such as market orientation and demand, interest rates, absorption, completion and other similar factors. Because the California Supreme Court held in Pardee Construction Co. v. City of Camarillo (1984) 37 Cal. 3d 465, that the failure of the parties therein to provide for the timing of development resulted in a later adopted initiative restricting the timing of development to prevail over such parties' agreement, it is the parties' intent to cure that deficiency by acknowledging and providing that Owner shall have the right to develop the Property in such order and at such rate and at such time as Owner deems appropriate within the exercise of its subjective business judgment, subject only to any timing or phasing requirements set forth in the Development Plan.

### 3.4 [Intentionally Omitted.]

3.5 Changes and Amendments. The parties acknowledge that refinement and further development of the Project may require Subsequent Development Approvals and may demonstrate that changes are appropriate and mutually desirable in the Existing Development Approvals. In the event Owner finds that a change in the Existing Development Approvals is necessary or appropriate, Owner shall apply for a Subsequent Development Approval to effectuate such change and City shall process and act on such application in accordance with the Existing Land Use Regulations, except as otherwise provided by this Agreement including the Reservations of Authority. Unless otherwise required by law, as determined in City's reasonable discretion, a change to the Existing Development Approvals shall be deemed "minor" and not require an amendment to this Agreement provided such change does not:

- (a) Alter the permitted uses of the Property as a whole; or

- (b) Increase the density or intensity of use of the Property as a whole; or
- (c) Increase the maximum height and size of permitted buildings; or
- (d) Delete a requirement for the reservation or dedication of land for public purposes within the Property as a whole; or
- (e) Constitute a project requiring a subsequent or environmental impact report pursuant to Section 21166 of the Public Resources Code.
- (f) [Installation of Communications Facilities]. [To Come].

### 3.6 Reservations of Authority.

3.6.1 Limitations, Reservations and Exceptions. Notwithstanding any other provision of this Agreement, the following Subsequent Land Use Regulations shall apply to the development of the Property.

(a) Processing fees and charges imposed by City to cover the estimated actual costs to City of processing applications for Development Approvals or for monitoring compliance with any Development Approvals granted or issued.

(b) Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals and any other matter of procedure.

(c) Regulations governing construction standards and specifications including, without limitation, the Uniform Building, Plumbing, Mechanical, Electrical, and Fire Codes as adopted and amended by the City of Loma Linda.

(d) Regulations which may be in conflict with the Development Plan but which are reasonably necessary to protect the public health and safety. To the extent possible, any such regulations shall be applied and construed so as to provide Owner with the rights and assurances provided under this Agreement.

(e) Regulations which are not in conflict with the Development Plan. Any regulation, whether adopted by initiative or otherwise, imposing a development moratorium or limiting the rate or timing of development of the Property shall be deemed to conflict with the Development Plan and shall therefore not be applicable to the Development of the Property.

3.6.2 Modification or Suspension by State or Federal Law. In the event that State or Federal laws or regulations, enacted after the Effective Date of this Agreement, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such State or Federal laws or regulations, provided, however, that this Agreement shall remain in full force and effect to the extent such laws or regulations do not render such remaining provisions impractical to enforce.

3.7 Referenda and Moratorium. It is the express intent of City and Owner that as of the date of this Agreement, this Agreement is a legally binding contract which shall, to the extent

permitted by law, prevail over the provisions of any subsequently enacted moratorium, statute, ordinance, limitation or other measure, whether or not enacted by City, or by voter initiative or referendum, and whether or not such initiative, moratorium, referendum, statute, ordinance, limitation or other measure relates, in whole or in part, to the rate, timing, sequencing or phasing of the development or construction of all or part of the Project or the Development Plan or affects Development Approvals which are issued by City.

In the event any initiative, moratorium, referendum, statute, ordinance, limitation or other measure is enacted subsequent to the Effective Date that would otherwise modify the development rights vested pursuant to this Agreement, Owner reserves the right to challenge any such enactment in a court of law should it become necessary to protect the development rights vested in Owner pursuant to the terms and conditions of this Agreement. Should any initiative or referendum be enacted which would preclude or make not feasible construction of all or any part of the Project, and should such enactment be determined by a court of competent jurisdiction to invalidate or prevail over all or any part of this Agreement, Owner shall have no recourse against City for any damage Owner might sustain as a result thereof so long as the City did not participate in nor support any such initiative or referendum, except City shall provide for and timely implement an equitable program to reimburse Owner for unused fees and for an equitable reimbursement for Public Improvements or fees theretofore made but not required by the extent of development as of the date of the enactment.

3.8 Exactions. All further applications for Development Approvals contemplated by this Agreement, or made in connection with the development, construction, use or operation of the Project hereunder, shall be processed in accordance with the Existing Rules and the standards, terms and conditions of this Agreement, except that (a) City shall not impose thereunder any further Exactions other than those called for under the Existing Approvals and/or as permitted under the provisions of this Agreement, and (b) such applications and Development Approvals thereunder shall not result in the imposition upon Owner of any additional requirements, other than those already imposed pursuant to the Development Approvals, or otherwise permitted under the provisions of this Agreement.

3.9 Tentative Subdivision Map Extension. Tentative subdivision map(s), heretofore or hereafter approved in connection with development of the Property, shall be granted an extension of time for up to the seven (7) year term of this Agreement.

#### 3.10 City Fees.

3.10.1 Payment of Fees. Owner shall pay all City administrative, permit processing and other city-wide imposed development fees in accordance with the master City Fees Schedule in effect at the time fees are paid.

### 4. PUBLIC BENEFITS.

4.1 Intent. The parties acknowledge and agree that development of the Property will result in substantial public needs which will not be fully met by the Development Plan and further acknowledge and agree that this Agreement confers substantial private benefits on Owner which should be balanced by commensurate public benefits. Accordingly, the parties intend to provide consideration to the public to balance that private benefit conferred on Owner by providing more fully for the satisfaction of the public needs resulting from the Project.

4.2 Development Agreement Fee. Owner agrees to pay to City in connection with each residential dwelling built within the Project the corresponding amounts as set forth in **Exhibit "C"**, including escalation, as a Development Agreement Fee; Exhibit "C" is attached and made a part of this Agreement by this reference ("Development Agreement Fee Schedule"). The Development Agreement Fee shall be paid, on a per-unit basis as shown at Exhibit "C", within two (2) business days after final building inspection or if certificate(s) of occupancy are issued, then concurrent with issuance of such certificate(s).

4.3 Street Names. All streets and public facilities located in the Development shall require approval by the City Department of Community Development.

5. REVIEW FOR COMPLIANCE.

5.1 Periodic Review. The Director of the Community Development Department shall review this Agreement on or before the first anniversary of the Effective Date, in order to ascertain the good faith compliance by Owner with the terms of the Agreement. Owner shall submit a Monitoring Report, in a form acceptable to the Director of the Community Development Department, within thirty (30) days after written notice from the Director of the Community Development Department.

5.2 Procedure.

(a) During either a periodic review or a special review, Owner shall be required to demonstrate good faith compliance with the terms of the Agreement. The burden of proof on this issue shall be on Owner.

(b) Upon completion of a periodic review, the Director of the Community Development Department shall submit a report to the City Council setting forth the evidence concerning good faith compliance by Owner with the terms of this Agreement and his or her recommended finding on that issue.

(c) If the City Council finds on the basis of substantial evidence that Owner has complied in good faith with the terms and conditions of this Agreement, the review shall be concluded.

(d) If the City Council makes a preliminary finding that Owner has not complied in good faith with the terms and conditions of this Agreement, the City Council may modify or terminate this Agreement as provided in Section 5.3 and Section 5.4. Notice of default as provided under Section 6.3(b) of this Agreement shall be given to Owner prior to or concurrent with, proceedings under Section 5.3 and Section 5.4 or Section 6.5.

5.3 Proceedings Upon Modifications or Termination. If, upon a finding under Section 6.2, City determines to proceed with modification or termination of this Agreement, City shall give written notice to Owner of its intention so to do. The notice shall be given at least ten (10) calendar days prior to the scheduled hearing and shall contain:

(a) The time and place of the hearing; and

(b) A statement as to whether or not City proposes to terminate or to modify the Agreement; and

(c) Such other information as is reasonably necessary to inform Owner of the nature of the proceeding.

5.4 Hearing on Modification or Termination. At the time and place set for the hearing on modification or termination, Owner shall be given an opportunity to be heard. Owner shall be required to demonstrate good faith compliance with the terms and conditions of this Agreement. If the City Council finds, based upon substantial evidence, that Owner has not complied in good faith with the terms or conditions of the Agreement, the City Council may terminate this Agreement or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of the City. The decision of the City Council shall be final, subject only to judicial review pursuant to Section 1094.5 of the California Code of Civil Procedure.

5.5 Certificate of Agreement Compliance. If, at the conclusion of a Periodic Review, Owner is found to be in compliance with this Agreement, City shall, upon request by Owner, issue a Certificate of Agreement Compliance ("Certificate") to Owner stating that after the most recent Periodic Review and based upon the information known or made to the Director of the Community Development Department and the City Council that (1) this Agreement remains in effect and (2) Owner is not in default. The Certificate shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance. Owner may record the Certificate with the County Recorder.

## 6. DEFAULT AND REMEDIES.

6.1 Enforcement. Unless amended or canceled as herein provided, this Agreement is enforceable by any party to it notwithstanding a change in the applicable general or specific plan, zoning, subdivision, or building regulations adopted by the City which otherwise would alter or amend the rules, regulations, or policies governing permitted uses of the Property, density, design, improvement, and construction standards and specifications applicable to the Development Plan.

6.2 Events of Default. A party to this Agreement is in default under this Agreement upon the happening of one or more of the following events or conditions:

(a) If a warranty, representation or statement made or furnished by Owner to City or City to Owner is false or proves to have been false in any material respect when it was made;

(b) A finding and determination by City or Owner that upon the basis of substantial evidence the City or Owner has not complied in good faith with one or more of the terms or conditions of this Agreement.

### 6.3 Procedure Upon Default.

(a) Upon the occurrence of an event of default, the non-defaulting party may terminate or modify this Agreement in accordance with the procedures set forth in Subsection 6.3(b) below.

(b) The party claiming default shall provide written notice to the other party specifying the event of default and the steps the other party must take to cure the default. If, within thirty (30) days after the effective date of such notice, the other party does

not commence all steps reasonably necessary to bring itself into compliance as required and thereafter diligently pursue such steps to completion, then the other party shall be deemed to be in default under the terms of this Agreement.

(c) All other remedies at law or in equity which are not otherwise provided for in this Agreement or in City's regulations governing development agreements are available to the parties to pursue in the event there is a breach.

6.4 Owner's Default. In the event of any default by Owner, in addition to any other remedies which may be available to City, whether legal or equitable, City shall be entitled to retain any fees, grants, dedications or improvements to public property which it may have received prior to Owner's default without recourse from Owner or its successors or assigns.

6.5 Indemnity. Owner shall indemnify and hold City, its officers, agents and employees and independent contractors free and harmless from any claims or liability based or asserted upon any act or omission of Owner, its officers, agents, employees, subcontractors and independent contractors for property damage, bodily injury, or death (Owner's employees included) or any other element or damage of any kind or nature, relating to or in any way connected with or arising from the activities provided in this Agreement. Owner shall defend, at its expense, including payment of attorneys' fees, City, its officers, agents, employees and independent contractors in any legal action based upon such alleged acts or omissions. City may in its discretion participate in the defense of any such legal action.

6.6 Environmental Indemnity. Owner shall defend, indemnify and hold City, its officers, agents, employees, and independent contractors free and harmless from any claims or liability based upon or arising from the presence of any Hazardous Substance on any of the Property located in the Project. As used herein, "Hazardous Substance" shall mean any "hazardous substances," "toxic substance," "hazardous waste," or "hazardous material" as defined in one or more Environmental Laws, whether now in existence or hereinafter enacted; provided, however, that "Hazardous Substance" shall (i) include petroleum and petroleum products (other than naturally occurring crude oil and gas) and (ii) include radioactive substances which are not naturally occurring, and (iii) include any friable or non-friable asbestos or asbestos-containing material contained in or affixed to a structure existing on the Property or otherwise located in, on or about the Property as of the date of this Agreement. As used herein, "Environmental Laws" shall mean any and all federal, state, municipal and local laws, statutes, ordinances, rules, and regulations which are in effect as of the date of this Agreement, or any and all federal, or state laws, statutes, rules and regulations which may hereafter be enacted and which apply to the Property or any part thereof, pertaining to the use, generation, storage, disposal, release, treatment or removal of any Hazardous Substances, including without limitation, the Comprehensive Environmental Response Compensation Liability Act of 1980, 42 U.S.C. Sections 9601, et seq., the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Sections 6901, et seq., ("RCRA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Clean Water Act, 33 U.S.C. Section 1251, et seq., and California Health and Safety Code Section 25100, et seq. Owner acquired the Property pursuant to: i) a purchase and sale agreement with Frank Silva, on behalf of the Silva Trust and ii) a purchase and sale agreement with Jim Keefe for the James E. Keefe Family Limited Partnership (collectively, the "Purchase Agreements" and the "Prior Owners"). To the extent that Owner is or may be entitled to defense or indemnification from one or more of the Prior Owners in connection with the presence of any such Hazardous Substances on the Property as provided in the Purchase Agreements, Owner shall assert any such defenses or indemnification rights on behalf of City, its officers, agents, employees, and

independent contractors, or assign such rights to City, at City's option. However, Owner's obligation to defend, indemnify and hold harmless City and its officers, employees, agents or independent contractors from any claims or liability in connection with or arising from the presence of any Hazardous Substance on the Property or any portion thereof shall not be in any way limited or eliminated by the terms of one or more of the Purchase Agreements, and Owner's obligation hereunder shall survive the termination of this Development Agreement, no matter how caused. Notwithstanding anything herein to the contrary, Owner shall have no obligation to indemnify the City as herein provided with respect to any Hazardous Substances which are proven by Owner to have been first brought onto the Property subsequent to the sale by the Owner of the Property, or the affected portions thereof.

## 7. MORTGAGEE PROTECTION.

The parties hereto agree that this Agreement shall not prevent or limit Owner, in any manner, at Owner's sole discretion, from encumbering the Property or any portion thereof or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Property. City acknowledges that the lenders providing such financing may require certain Agreement interpretations and modifications and agrees upon request, from time to time, to meet with Owner with representatives of such lenders to negotiate in good faith any such request for interpretation or modification. City will not unreasonably withhold its consent to any such requested interpretation or modification provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any mortgagee of the Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, which Mortgagee has submitted a request in writing to the City in the manner specified herein for giving notices, shall be entitled to receive written notification from City or any default by Owner in the performance of Owner's obligations under this Agreement.

(c) If City timely receives a request from a Mortgagee requesting a copy of any notice of default given to Owner under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to Owner. The Mortgagee shall have the right, but not the obligation, to cure the default during the remaining cure period allowed such party under this Agreement.

(d) Any Mortgagee who comes into possession of the Property, or any part thereof, pursuant to foreclosure of the mortgage or deed of trust, or deed in lieu of such foreclosure, shall take the Property, or part thereof, subject to the terms of this Agreement. Notwithstanding any other provision of this Agreement to the contrary, no Mortgagee shall have any obligation or duty under this Agreement to perform any of Owner's obligations or other affirmative covenants of Owner hereunder, or to guarantee such performance; provided, however, that to the extent that any covenant to be performed by Owner is a condition precedent to the performance of a covenant by City, the performance thereof shall continue to be a condition precedent to City's performance hereunder, and further provided that any sale,

transfer or assignment by any Mortgagee in possession shall be subject to the provisions of Section 2.4 of this Agreement.

8. MISCELLANEOUS PROVISIONS.

8.1 Recordation of Agreement. This Agreement and any amendment or cancellation thereof shall be recorded with the County Recorder by the City Clerk within the period required by Section 65868.5 of the Government Code.

8.2 Entire Agreement. This Agreement sets forth and contains the entire understanding and agreement of the parties, and there are no oral or written representations, understandings, or ancillary covenants, undertakings or agreements which are not contained or expressly referred to herein. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

8.3 Severability. If any terms, provisions, covenants or conditions of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. Notwithstanding the foregoing, the provisions of Development of the Property set forth in Section 3 and the Public Benefits set forth in Section 4 of this Agreement, including the payment of the fees set forth therein, are essential elements of this Agreement and City and Owner would not have entered into this Agreement but for such provisions and if determined to be invalid, void or unenforceable, this entire Agreement shall be null and void and of no force and effect whatsoever.

8.4 Interpretation and Governing Law. This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed by interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

8.5 Section Headings. All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

8.6 Singular and Plural. As used herein, the singular of any word includes the plural.

8.7 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

8.8 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter.

8.9 No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties and their successors and assigns. No other person shall have any right of action based upon any provision of this Agreement.

8.10 Force Majeure. Neither party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, other Acts of God, fires, wars, riots or similar hostilities, strikes and other labor difficulties beyond the party's control (including the party's employment force), government regulations, court actions (such as restraining orders or injunctions), or other causes beyond the party's control. If any such events shall occur, the term of this Agreement and the time for performance by either party of any of its obligations hereunder may be extended by the written agreement of the parties for the period of time that such events prevented such performance, provided that the terms of this Agreement shall not be extended under any circumstances for more than two (2) years as a result of any such force majeure event.

8.11 Mutual Covenants. The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the party benefited thereby of the covenants to be performed by such benefited party.

8.12 Successors in Interest. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to development of the Property: (a) is for the benefit of and is a burden upon every portion of the Property; (b) runs with the Property and each portion thereof; and, (c) is binding upon each party and each successor in interest during ownership of the Property or any portion thereof.

8.13 Counterparts. This Agreement may be executed by the parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the parties had executed the same instrument.

8.14 Jurisdiction and Venue. Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of San Bernardino, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court.

8.15 Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between City and Owner is that of a government entity regulating the development of private property and the Owner of such property.

8.16 Further Actions and Instruments. Each of the parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either party at any time, the other party shall promptly execute, with acknowledgment

or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

8.17 Authority to Execute. The person(s) executing this Agreement on behalf of Owner warrants and represents that he, she or they has/have the authority to execute this Agreement on behalf of his, her or their corporation, partnership or business entity and warrants and represents that he, she or they has/have the authority to bind Owner to the performance of its obligations hereunder.

8.18 Cooperation. City agrees that it shall accept for processing and promptly take action on all applications, provided they are in a proper form and acceptable for required processing, for discretionary permits, tract or parcel maps, or other land use entitlements for development of the Project in accordance with the provisions of this Agreement. City shall cooperate with Owner in providing expeditious review of any such applications, permits or land use entitlements and, upon request and payment of any costs and/or extra fees associated therewith by Owner, City shall assign such review to Project planner(s), building inspector(s), other staff personnel and/or contract planning or engineering consultants as required to insure the expeditious review, processing and completion of the Project.
